ABOUT US

The Central Drugs Standard Control Organisation (CDSCO) under Directorate General of Health Services, Ministry of Health & Family Welfare, Government of India is the National Regulatory Authority (NRA) of India. Its headquarter is located at FDA Bhawan, Kotla Road, New Delhi-110002 and also has six zonal offices in various parts of the country. The Drugs and Cosmetics Act 1940 and rules 1945 have entrusted various responsibilities to central & state regulatory for regulation of drugs & cosmetics. It envisages uniform implementation of the provisions of the Act & Rules made there under for ensuring the safety, rights and well being of the patients by regulating the drugs and cosmetics. CDSCO is constantly striving upon to bring out transparency, accountability and uniformity in its services to the citizens. Under the Drugs and Cosmetics Act, CDSCO is responsible for approval of New Drugs, Conduct of Clinical Trials, laying down the standards for Drugs control over the quality of Imported Drugs in the country and coordination of the activities of State Drug Control Organisations by providing expert advice with a view of bring about the uniformity in the enforcement of the Drugs and Cosmetics Act. Further, CDSCO along with state regulatory is jointly responsible for grant of licenses of certain specialized categories of critical Drugs such as blood and blood products, I.V. Fluids, Vaccines and Sera.

REGISTER DATA WITH STATE FDA

SUGAM builds a comprehensive database of the various permissions and licenses issued by State FDA. This includes details of manufacturers, manufacturing site and drug formulations. Manufacturer can view their consolidated data about permissions issued to them from State FDA.
